Overnight there is usually two german shepherds at the warehouse to guard against robbery attempts, so far there hasn't been any problems that we know of.

New pictorial traffic signs have been installed because drivers' react to images quicker then to words on signs.

Jason the shift leader and I had an easy cooperative working relationship, neither of us hesitates to discuss problems as they arise.

In many respects my cousins Victoria and Stephanie are similar but Victoria is far more spirited, and sophisticated.

A Midsummer Nights Dream written by William Shakesphere is a complicated twisting tail of love, also its Nikitha's favorite play.

The main characters a group of four well to do Athenians are manipulated by chaos creating fairys.

Sadly I am embarrassed to report that I bare the soul responsibility for my dodgeball teams loss on Friday night.

When Mom shook out the kitchen rug dog hair, bread crumbs, coffee grounds and spaghetti noodles flew threw the air.

When Jake jammed the photocopier for the 8th time Sharon the administrative assistant, picked up a industrial sized stapler and threatened to through it at his head.

Because her hands were still slipery from the dishwater Rachel dropped the watermellon, which bursted on the floor creating an explosion of pulp and seeds.

I need to write a letter to the local newspaper because they canceled the daily horoscopes my favorite section.

It said in today's horoscope that all Pisces like Tyler and Brian should avoid eating fishsticks, I chuckled.

Ken wiggled his foot drummed a Jimi Hendrix riff with his pencil, and was chewing a peace of gum, still he could not burn off the caffeine induced energy from a gallon sized Mountain dew.

Because she was frustrated with the coach, no recognition for her skills and a dislike for the polyester uniform made Raychelle quits the ping-pong team
